**Veteran Radio Broadcaster Named General Manager  
For KROR-FM and KSYZ-FM**

**Grand Island, NE – April 14, 2009** – The leadership at NRG Media Corporation, owner of KROR-FM and KSYZ-FM, today announced a new General Manager for its Grand Island radio operation. NRG Media Chief Operating Officer Chuck DuCoty named radio veteran Tim Marshall to the post replacing exiting General Manager Dan Zapka. The move is effective immediately. DuCoty said Marshall is a seasoned talent with a track record of success, “Tim has managed some of our top radio stations in Omaha, Nebraska for more than four years now and is a vital part of that cluster’s success. As a lifelong Nebraskan, Tim has a love and keen understanding of the Grand Island market and has been highly involved in the local community for years.”

Marshall has served as the General Sales Manager for five of NRG Media’s top rated radio stations in Omaha which include KOPW-FM, KOZN-AM, KKAR-AM, KOIL-AM and KMMQ-AM. With more than 28 years of radio and television experience, Marshall said this opportunity is one he has always dreamed of, “I have literally lived next door to Grand Island my entire life having attending the University of Nebraska in Kearney and as a current member of the Kearney business community. I stay intimately aware of the local events and the people who make Grand Island such a wonderful place to live.”

NRG Media Omaha General Manager Rhonda Gerrard said she is thrilled about the promotion, “Tim is a leader that people walk through walls for. My staff, clients and the radio community are going to miss him immensely here in Omaha. Fortunately, our loss is Grand Island’s gain and that market will quickly come to find out that Tim is truly one of a kind.”

After graduating from UN-Kearney in 1981, Marshall launched his broadcast career as Assistant Agri-Marketing Director at NTV Television Network. He then went on to serve as an Account Executive at KFRX-Radio for more than six years. He took over station management responsibilities at KLDZ and KMEM from 1989-1997 before earning the post of Associate Farm Director at NewsRadio 1110 KFAB-AM where he served for eight years before joining NRG Radio in Omaha.

“This business is in my blood. I love radio, agri-business and the people that make both great. It is the highest honor of my professional career to have the opportunity to manage KROR and KSYZ-FM. They are amazing radio stations with a loyal audience and a great team of talent behind the scenes. I can’t wait to get started,” said Marshall.

Marshall earned a Bachelor of Arts with an emphasis in Telecommunications from the University of Nebraska-Kearney. He currently resides in Malcom, NE with his wife and three children.
